

Dear Denny,

Thank you for applying to UCI. We appreciate your patience in waiting for a final decision. We know this is frustrating and disappointing news, but we will be unable to offer you admission from the waitlist for the Fall 2023 term.

Within our comprehensive review process, we take great care in the consideration of every application. Admissions officers review each application and carefully balance many factors including but not limited to grades, coursework, test scores, honors and awards, work experience, community service, and leadership. We are honored to receive so many applications from such talented students.

If attending UCI remains your ambition, please consider applying to UCI as a transfer student. For more information about transferring to UCI or the Transfer Admission Guarantee, please visit our [transfer admission website](#).

Thank you for your patience, and we wish you every success in achieving your educational goals.

Sincerely,
Undergraduate Admissions
