## ESTIMATED COST OF ATTENDANCE (PRIOR TO FINANCIAL AID AWARDS)

Below is your estimated cost of attendance for the 2023-2024 academic year, based on your major and plan of study. The information represents the cost of attending Drexel without accounting for any financial aid awards you have been offered.

Costs	Fall	Winter	Spring	Annual
Tuition and Fees	\$20,256.00	\$20,221.00	\$20,221.00	\$60,698.00
Room and Board	\$5,850.00	\$5,850.00	\$5,850.00	\$17,550.00
<b>Total</b>	<b>\$26,106.00</b>	<b>\$26,071.00</b>	<b>\$26,071.00</b>	<b>\$78,248.00</b>

When reviewing your financial aid award and preparing your budget, sometimes students may incur additional expenses for items such as books, supplies, a computer, or transportation. The estimated amount for these other expenses is \$3,260.00. Please note that if you are living on campus, the room and board amounts listed are estimates based on the average cost of Drexel housing and a dining plan; if you are living off-campus, the figures are based on average rent and food expenses; if you are living with parents and commuting, the room and board costs listed are only for a food expense.

### Note About Tuition

It is important to remember when reviewing cost of attendance information that students pay tuition during terms they are enrolled in academic classes only; tuition payments are not due during terms a student is on co-op. For more information, visit the Cost of Attendance page on the **Drexel Central website**.
