To:

Dear Denny,

Congratulations! It is my pleasure to inform you that the Honors Admissions Committee has admitted you to Drexel University's Honors Program.

The mission of the Honors Program within the Pennoni Honors College at Drexel University is to cultivate intellectual curiosity and creative thinking. The Honors Program provides students of all majors at the University with an opportunity to pursue a cross-disciplinary curriculum, to explore cultural offerings in the great city of Philadelphia, and to learn from each other, both inside and outside of the classroom. The Honors Program also encourages community engagement and the development of leadership skills and initiative. As a member of the Honors

Program, you will graduate with an understanding of the richness and diversity of ideas and points of view, and with the tools needed to lead a productive and fulfilling life.

The Honors Program allows students to gain access to specialized classes, exclusive cultural events in Philadelphia, Honors-specific advising and mentoring, and unique civic engagement opportunities. Qualifying program participants are eligible for graduation with honors or, for the most accomplished students, graduation with distinction. Additionally, Honors Program students have the option to apply to live in the Honors Living Learning Community located in Bentley Hall. Serving as a center point for advanced scholarship, this provides the opportunity to build deeper connections with fellow Honors students, staff, and faculty. Interested students can apply through their University housing application.

To confirm your admission into the Honors Program, you should first confirm your enrollment to Drexel by submitting your \$300 deposit through [Discover Drexel](#) by May 1. You can then submit the Honors Program Confirmation form through the status update section in Discover Drexel.

I look forward to welcoming you as a member of the Drexel community. Once again, please accept my congratulations and very best wishes.

Sincerely,

Evelyn K. Thimba
Senior Vice President for Enrollment Management
