

Dear Denny,

Thank you for applying to the University of California, Irvine. Unfortunately, we are not able to offer you admission at this time for Fall 2023. However, your application is strong and we want to provide you the opportunity to be included on the waitlist.

To place your name on the waitlist, complete the [Statement of Intent to Participate \(SIP\)](#) no later than **April 15, 2023**. Notification of UCI waitlist decisions will be sent between April and late summer. For a list of frequently asked questions regarding the waitlist, [visit our website here](#).

While waiting to receive our waitlist decision, we recommend that you do not miss the deadlines at other colleges or universities. If a space does not become available to you and attending UCI remains your ambition, we encourage you to continue with your studies and, if possible, consider applying as a transfer student in the future.

Again, thank you for your interest in UCI. We wish you every success in achieving your educational goals.

Sincerely,

Office of Undergraduate Admission
University of California, Irvine
