

Undergraduate
Admissions Office

Denny,

On behalf of the staff and faculty on the Admissions Committee at the California Institute of Technology, I would like to thank you for your continued interest in the first-year class by joining our waitlist. We recognize the energy it takes to prepare and update an application and we appreciate the care and thoughtfulness you put into the process.

It is with regret that I write to inform you that the Class of 2027 is finalized, the waitlist is now closed, and we are unable to offer you a place in our incoming class.

Caltech has an applicant pool that greatly outpaces the number of spaces available, so this decision is not a negative reflection of your qualifications or your potential to succeed. We have no doubt that you will be tremendously successful in the future; while our admissions decision is final, we believe your college journey is only just beginning.

Sincerely,

Ashley M. Pallie
Director of Undergraduate Admissions
Caltech
