Dear Denny,

Thank you for your application to the STAR Scholars Program. Unfortunately, we are not able to offer you a position in the program at this time. While you meet many of the qualifications, the applicant pool was highly competitive, and the selection process was rigorous.

However, we hope that you will reapply to the STAR Scholar Program in the winter term of your first year and consider participating in other opportunities available through Undergraduate Research & Enrichment Program in the Pennoni Honors College. Visit the [Undergraduate Research & Enrichment Program website](#) for more information regarding these opportunities.

If you have any questions, you can call us at 215.895.2400 or email us at enroll@drexel.edu.

Sincerely,

Evelyn K. Thimba

Senior Vice President for Enrollment Management
