Denny Cao

Dear Denny,

Congratulations! On behalf of the Undergraduate Admissions Committee, I am delighted to inform you that you have been granted admission for the Fall 2023 semester as a Pennsylvania resident to Temple University's College of Science and Technology, Computer Science major, on the Main campus.

Temple is proud of its many students who - just like you - are smart, accomplished, and motivated to succeed. As you consider the college choices available to you, I hope you will conclude that Temple offers an exceptional, affordable education, personalized attention, and rich campus life that is right for you.

You will soon receive information about how you can reserve your place in the Fall 2023 entering class. I hope you will review this material carefully and take the appropriate steps as soon as possible, so that you can get your college career off to a smooth start.

Again, congratulations on your acceptance to Temple. Our students, faculty and staff look forward to welcoming you to campus.

Sincerely,
